Washington Capital News Service June 25, 1963, reported the Defense Department cleared three Air Force (AF) men questioned concerning the Profumo case. Director instructed, "Prepare memo to A. Office of Special Investigations (OSI) located through interviews, another airman, [redacted] presently assigned at Amarillo AF Base, Texas, who knew Keeler. Interview of [redacted] was also obtained. AF considers case involving these airmen closed, with no known espionage aspects.

Major General John M. Breit, Deputy Inspector General, AF, in releasing the attached advised that Defense Intelligence Agency (DIA) and the AF desired no dissemination of the statements be made outside the Department of Justice.

[redacted] DIA is preparing an analysis of the statements for transmittal to the Secretary of Defense who will in turn furnish a summary to President Kennedy prior to his meeting with Prime Minister Macmillan.

At 3:05 p.m., 6/29/63, Assistant Director Courtney A. Evans advised SA David Ryan, Weekend Supervisor, Domestic Intelligence Division, that the Attorney General had made inquiry regarding an article appearing in the "New York Journal American" regarding this case. Mr. Evans stated the article indicated a "high elected American official" was involved with this scandal. The Attorney General stated the President had expressed concern regarding this matter.

SA Michael O'Rourke, Weekend Supervisor, New York Office, telephonically advised this newspaper article was entitled "High U. S. Aide Implicated in V-Girl Scandal" and contained the by-line of James D. Horan and Dom Frasca. The article purported to be the result of a 20 minute trans-Atlantic taped interview between the newspapermen and Maria Novotny and her spokesman British newspaperman Peter Earle.

The article stated "One of the highest names in American politics, a holder of a very high elective office, has been injected into Britain's vice-security scandal." The article stated Novotny identified one Suzy Chang as the former paramour of this American official.

After giving a rehash of the background of this case, the article appeared to conclude that it was "apparent that Chang, Novotny and Keeler were linked in a web of international vice activity."

This information was telephonically furnished to Mr. Evans and he instructed that New York should make no inquiries at the "Journal American" regarding this article but that such inquiries would be handled through Mr. DeLoach. New York was advised accordingly.

The above information was furnished to Mr. Sullivan, Mr. D. E. Moore and Mr. Branigan.

ACTION:

For information. You will be advised of pertinent developments.

6-28-63

Harry Alan Towers, a British TV producer, induced Maria Novotny, then a 19-year-old model, in 12/60 to enter U.S. and engaged her immediately in prostitution activities until they were arrested by New York City Police Department on 3-3-61. Both fled the country prior to trial; warrant outstanding for Towers. "Journal American" has vainly attempted to link the Towers case with the Keeler - Profumo case and has attempted to bring in all vice of every sort in New York relating to United Nations activities and foreign-type girls. Instant teletype indicates [REDACTED]

This appears to be another distortion of fact by the "Journal American."

Reference is made to my letter of June 24, 1963, which you returned to Assistant Director C. A. Evans on July 2, 1963, at which time you inquired if we had learned what Christine (Keeler) and her friend did in the U. S. when they were here.

It has been learned that Christine Keeler and Marilyn Rice-Davies arrived in the U. S. aboard the SS "Nieuw Amsterdam" on July 11, 1962. They registered at the Hotel Bedford, 118 East 40th Street, New York City, July 11, 1962. They checked out of this hotel on July 14, 1962, and reregistered on July 16, 1962. Hotel records do not show the date of departure; however, they did leave the U. S. on July 18, 1962, by British Overseas Airways Corporation plane.

In addition to the above, it is known that while guests at the hotel, calls were placed from the room occupied by Keeler and Rice-Davies to the House of Revlon and British Overseas Airways Corporation.

The investigation conducted has been most direct and limited to established sources in addition to the interviews mentioned above. In view of the limited stay of these individuals in the U.S., no further investigation is contemplated.

The referenced communication is being returned with this letter.

The "New York Journal American," in a copyrighted article 6-29-63, reported the details of an alleged trans-Atlantic telephone interview between the authors of the article, James D. Horan and Dom Frasca and Marie Novotny and her spokesman, British newspaperman Peter Earle.

The Legal Attache, by cable 6-30-63, advised he was so far unable to confirm the trans-Atlantic interview and suggested that it more easily could be done from New York. Concerning this the Director inquired whether Bates was trying to avoid work and noted that the information in the interview was from England

The Director's instruction was telephonically conveyed to Legal Attache Bates 7-1-63.

He noted that the Profumo case is the hottest political issue in England today.

Bates stated that he made his suggestion with the thought that New York might be successful in more rapidly resolving whether such a telephone interview occurred.

JUL 8 1963

ACTION:

Bates will advise of the results of his check. It would be unwise to have New York try to check this out since this could be construed as the Bureau investigating the activities of the newspaper. At the same time, it must be recognized that it will be extremely difficult to pin down this one telephone call since quite obviously the "Journal American" and its reporters are in constant touch with London and, therefore, singling out this specific call could be most difficult.

INFORMATIVE NOTE

Date June 25, 1963

This teletype summarizes highlights of third article on the Harry Allan Towers case in the New York Journal American. It would appear the paper is engaged in sensational reporting. The New York Office is running out logical leads to disprove incorrect statements. Bureau file discloses no information furnished by former Assistant United States Attorney Donati concerning relationship of the victim in that case, Maria Novotny, to the Czech President. Visa records list her maiden name as Capes; she was born in England in 1941 and she has said she had an English-Spanish mother and a Czech father.

My memorandum, June 20, 1963, indicated Office of Special Investigations (OSI) was to interview three airmen who had been closely associated with Christine Keeler. (X)(u)

During the afternoon of June 24, 1963, Colonel David I. Walsh, OSI Headquarters, advised OSI had interviewed extensively [redacted] and [redacted] in connection with their association with Keeler. OSI's interrogation disclosed that the airmen had met Keeler in night clubs frequented by Negro airmen [redacted]

Each one of the airmen maintained Keeler had never attempted to obtain from them the limited intelligence data available to them in connection with their Air Force assignments. (X)

Colonel Walsh stated the airmen have been dispatched back to England, and the Air Force is satisfied that there was no counter-intelligence activities involved in the relationship between the airmen and Keeler. (X)

On the afternoon of June 26, 1963, Carl Burrows, Assistant Commissioner, Immigration and Naturalization Service (INS), advised that the U. S. Attorney (USA) at New York City had called for the INS file on [REDACTED] who is implicated in the Harry Alan Towers, White Slave investigation which the "New York Journal American" has attempted to link with the Keeler case. [REDACTED] is a prostitute and is believed to be the individual referred to in newspaper articles concerning a Hungarian girl sending a recording behind the Iron Curtain. (b7c)

Burrows stated that the INS file in New York City contains numerous Bureau reports concerning [REDACTED]. He asked whether INS should remove the Bureau reports prior to giving the file to the USA. He felt that it would be best to remove the reports and to refer the USA to the Bureau if he desired the results of the Bureau investigation. (b7c)

[REDACTED] She was born on January 26, 1935, in Yugoslavia. She entered the U. S. on January 14, 1957, as a Hungarian refugee. We interviewed [REDACTED] (b7c)

Burrows has arranged for INS to remove all Bureau reports from the file and the USA will be advised to check with the Bureau concerning the reports of a Bureau investigation. We have advised the New York Office of this request and instructed that the New York files be carefully reviewed prior to turning them over to the USA. [REDACTED]

[REDACTED]

(c)

The Legal Attache, London, forwarded copies of memoranda prepared by Alfred Wells, Secretary to Ambassador Bruce, concerning various persons involved in the instant case. In a memorandum dated 11/6/62 Wells stated that he had attended a dinner the night before at which he had met Dr. Stephen Ward and that Ward had made loud statements that he had been the principal liaison between the Soviets and the British Government during the Cuban crisis. He spoke concerning the confidential messages he carried between Ivanov and his "friends" in the British Government. Wells stated that he asked the man sitting next to him who Dr. Ward was and the man stated that he was an osteopath and that he procured girls for wealthy clients. By memorandum 6/18/63 Mr. Wells stated he had been to a luncheon on 2/13/63 with Thomas Corbally, Dr. Ward, Mrs. Robin Dalton, an Australian woman, and William Hitchcock. (S)(u)

Wells also wrote a memorandum dated 6/18/63 in which he stated that Thomas Corbally on 2/5/63 told Clive Bosson, Parliamentary Private Secretary to the Secretary of State for Air Hugh Fraser and Wells that Christine Keeler was selling a story about her affairs with Profumo, Ivanov, and others. Wells continued that on 6/17/63 Mr. Bosson told him that shortly after 2/5/63 he had passed Corbally's statements on to Fraser and Profumo and that Profumo had stated, "There are always rumors about men in the limelight." (S)(u)

STATE

By memorandum dated 1/29/63 Wells recorded a conversation he had with Thomas Corbally in which Corbally said that Miss Keeler and Miss Davies had sold an article to the "Sunday Pictorial" in which they list the various men with whom she had slept. The memorandum stated that the impending scandal had been brought to the attention of the Prime Minister on the evening of 1/28/63 and a letter had been written to the above paper putting the paper on notice that the Government is aware of the story and under British law the story could not be published until after the trial of the Jamaican, who was being charged with attempting to murder Keeler. Memo W. A. Branigan to W. C. Sullivan
Re: Christine Keeler; John Profumo

STATE

Wells had also recalled a telephone call he had taken from a Mrs. Aires, who had rented her apartment to a Mr. Hitchcock, who in turn had recommended a Mr. Corbally to take over the apartment. Mrs. Aires pointed out that in February of this year a great deal of publicity occurred concerning girls being taken to the apartment. She said that Corbally had paid his rent through February, but owed an enormous amount for telephone bills, electricity, and other charges. She also complained about the destruction of furniture in the apartment. (W)

ACTION:

For information.

Since this is basically information obtained by the United States Naval Attache and from the files of the United States Embassy in London, we are in no position to disseminate it. Furthermore, while interesting, it does not add anything to the Profumo case.

Enclosed for the Bureau are the original and 6 copies of a letterhead memorandum (LHM) setting forth results of the interview of [redacted] and [redacted] by SAS [redacted] and [redacted] 7/3/63.

INS file, NYC, concerning ILONA BATA CHRISTIE, INS file A10 930 127 was reviewed on 6/26/63 by SAS [redacted] and [redacted] and the following noted:

ILONA BATA was born in Budapest, Hungary, on 9/23/38 (place of birth also set out as Bakospalota, Hungary). She entered the US from Hungary as a refugee at Camp Kilmer, New Jersey, on 12/11/56. On 1/3/62, she filed a Petition for Naturalization.

Subsequent to her arrival she resided with a [redacted] 600 Trinity Place, (Apartment 2H), NYC. In March, 1957 she resided at 235 West 75th Street, NYC. Other previous residences are:

The file reflects that MARIA NOVOTNY has stated that she went on prostitution dates with BATA. BATA was interviewed by various agencies, including grand juries of NY County and "Southern Judicial District, NY". Her testimony was negative regarding obtaining admissions of her prostitution.

She admitted knowing TOWERS (HARRY ALLAN TOWERS) and MARIA NOVOTNY, claiming that she met them through a boy friend whom she refused to identify. However, the file indicates that this boy friend is one [REDACTED] who was formerly connected with the National Telefilm Associates.

BATA has made several trips to Europe since entry into the US, claiming that such trips were to visit her mother, who had been able to leave Hungary for these trips.

During a trip in November, 1960, BATA stated that her mother had given her \$12,000.00. She said that her boy friend (unidentified by BATA) had paid for her ticket to Europe and after meeting her mother she joined her boy friend in Paris and admitted that they shared a five room suite in an unknown hotel. The file indicates that BATA returned on the same plane with her boy friend.

When questioned by INS on 4/19/61, relative to her source of income, BATA stated that she has been financed by her family and also by an unidentified boy friend.

The INS file indicates that ILONA BATA married one HUBERT CHRISTIE, a native born US citizen, on 9/5/61. HUBERT CHRISTIE's address is indicated in the file as 3650 Southwest 19th Street, Miami, Florida.

The file contains no employment history regarding ILONA BATA but she indicated when she first arrived in the country that she was going to be a model and that she hoped to study at New York University.

NY 105-62043

The file contained a memo dated 6/20/63, indicating that the file of ILONA BATA CHRISTIE is being reviewed by INS at the request of AUSA PETER FLEMMING, SDNY, at the direction of AUSA STEPHEN E. KAUFMAN, Assistant Chief, Criminal Division, SDNY. The purpose of the review is to determine whether CHRISTIE might be knowledgeable of any facts which would relate to the TOWERS-DIBBEN affair or to the PROFUMO case.

Mr. FLEMMING made known the fact that one SONYA SCHLUETER, one-time witness to the naturalization petition of CHRISTIE, was arrested by the NYCPD in March, 1962 for soliciting for purposes of prostitution while utilizing CHRISTIE's apartment and telephone.

Mr. FLEMMING made observations that a review of CHRISTIE's file leads him to the conclusion that she would not be a cooperative witness in any inquiry looking to prosecution of federal criminal violations.

It will be noted that the above memo relative to the review requested by the USA's office, SDNY, appeared to be an administrative directive and therefore information obtained from this memo, if used, should be carefully paraphrased to protect the source.

The file also reflects that ILONA BATA CHRISTIE and her attorney, MARVIN H. NEWMAN, 130 West 58th Street, NYC, appeared for a hearing at INS on 5/21/62. This hearing was conducted by [redacted] Investigator, INS. NEWMAN advised his client not to answer any questions if these questions concerned her immigration status. He stated that she would be free to answer questions relative to her naturalization. When NEWMAN was advised by [redacted] that the questions concerned BATA's immigration status, NEWMAN advised his client not to answer any questions and the hearing was terminated.

Regarding the security aspects of captioned investigation, it is noted that during conversations with Investigator [redacted] the latter stated he is thoroughly familiar with the CHRISTIE investigation and no situations regarding internal security have come to his attention.

NY 105-62043

In this connection, it is noted that during interrogation by INS on 10/19/61, CHRISTIE denied membership in the CP, USA and the CP of Hungary.

On 6/26/63, [REDACTED] further advised that he was told by an informant on 6/26/63 that ILONA BATA was observed leaving her residence at 440 East 56th Street, NYC, between 10:00 and 10:30 AM, on 6/26/63. She was observed leaving in a car bearing Connecticut license 388856 and indicated she was going to the country for a couple of days.

This car is registered to [REDACTED] 141 Tanner Street, Manchester, Connecticut. [REDACTED] had been staying at the Summit Hotel, NYC, Room 940, care of [REDACTED] (ph).

[REDACTED] advised that his informant further stated that BATA has five girls working for her at the present time. He further indicated that recently [REDACTED] and BATA took a trip to Bermuda.

CHRISTIE's INS file indicated ILONA BATA was out of the country from April, 1959 to August, 1959, visiting France, Italy and Switzerland. Also, she left the country in November, 1960, details not shown.
